

1 CONCLUSION
2

3 Applicant thanks the (former) Examiner for his thoughtful review of
4 this application, and respectfully requests the Examiner review the pending
5 Claims and to find that they define patentable subject matter. Thus, it is
6 respectfully requested that the present pending Claims be allowed.

7 In the event that this Amendment does not place the application in
8 condition for allowance, the Examiner is respectfully requested to telephone the
9 undersigned in order that an attempt can be made to place the application in
10 condition for allowance as expeditiously as possible.

11

12 Respectfully submitted,
